Protective Coffee Bean Hopper: Air tight sealed lid with anti-UV coating keeps beans fresh at all times.

Adjustable Built-In Ceramic Disc Grinder: With automatic shut-off; safe, quiet and long lasting.

Compact Design: Machine enables front access to all features, so it can fit conveniently on any counter.

Steam/Hot Water Knob: Turn dial left to create steam to froth milk for cappuccinos or lattes. Turn the dial right to dispense hot water for Americanos or hot chocolate.

Rapid Steam®: No waiting between frothing milk with stainless steel Pannarello and brewing espresso.

Removable 40 oz. water tank comes fitted for the optional **Intenza** water filter.

*The Intenza water filter has been designed to improve the taste of your coffee while protecting your machine from limescale damage.

Pre-ground bypass coffee doser.

Saeco OptiDose: Adjustable doser regulates the amount of ground coffee beans for each cup.

LED Digital Display: Nine different icons are used on the LED display help to easily identify the functions of the machine.

Adjustable Dispensing Head: Move the coffee dispenser up or down to fit any sized cup or mug.

Saeco Aroma System: Programmable (on/off/long) pre-brewing cycle injects hot water into ground coffee to maximize flavor extraction.

Easy Clean System: Easily removable brew group for chemical-free cleaning.

Drip Tray: Large, metal drip tray holds cups and is removable for easy cleaning.
