Digital ID

Digital Fingerprint ID: Recall user profile simply and quickly with just the touch of a unique fingerprint.

Adjustable Built-In Ceramic Disc Grinder: With automatic shut-off; safe, quiet and long lasting.

Protective Coffee Bean Hopper: Air tight sealed lid with anti-UV coating keeps beans fresh at all times.

Multi-Function & Multi-User: 6 one-touch beverages can be personalized by 6 different users.

Removable 54 oz. water tank comes with the **Intenza** water filter included.

Touch Interface: Wide, easy-to-read display allows one-touch functionality and intuitive handling.

Saeco Brewing System: Allows you to choose the strength and consistency of your coffee by turning a dial.

Hot Water Wand: Hot water dispensed for tea, hot chocolate and other beverages. Milk can also be frothed manually.

Ergonomic Design: Integrated water tank and bean hopper are easily accessible from the top of the machine, perfectly complementing the machine's design.

Milk Carafe: External container automatically froths milk into your cup. Automatic cleaning cycle keeps machine perfectly clean at all times.

Saeco Aroma System: Programmable (on/off/long) pre-brewing cycle injects hot water into ground coffee to maximize flavor extraction.

Easy-to-Clean: Front access to the removable brew group and used grounds tray without removing drip tray or milk carafe makes cleaning very practical.

Drip Tray: Large, metal drip tray holds cups and is removable for easy cleaning.

Sliding wheel base for convenient rotation.
